

LET'S CHAT APP PRIVACY POLICY (“POLICY” OR “PRIVACY POLICY”)

I. General

Our Services (as defined below) allow people to instantly connect with their contacts when it is most for them. Any registered user of Let's Chat can (x) set the amount of time the user has to chat, and once set, receive a call from other registered users or (y) review the amount of time other registered users have to chat, and select a registered user from the list for a chat. By using any Our Services, you agree to be bound by all of the terms and conditions of this Privacy Policy for all of Our Services.

This Privacy Policy describes how and when Let's Chat collects, uses and shares your information when you use Our Services (as defined below). Let's Chat receives your information through the Let's Chat applications and through Our websites, SMS, APIs, email notifications, applications, buttons, widgets, ads, commerce services (the “Services”) and from Our affiliates, partners and other third parties. For example, you send Us information when you use Our Services on the web, via SMS, or from an application such as Let's Chat application for iPhone, Let's Chat application for Android or Our websites www.letschatapp.com. When using any of Our Services you consent to the collection, transfer, storage, disclosure, and use of your information as described in this Privacy Policy.

Your information is controlled by Let's Chat, LLC, 2820 N Pulaski Rd. Unit s1 Chicago IL 60641 U.S.A. Irrespective of which country you reside in or supply information from, you authorize Us to use your information in the United States and any other country where We conduct business.

If you have any questions or comments about this Privacy Policy, please contact Us here or at privacy@letschatapp.com.

II. Information Collection and Use

Basic Account Information: When you create, update, or reconfigure an account, you may provide some personal information, which may vary from time to time, such as your name, phone number, username, password, or email address. Your name and phone number are listed publicly, and you can use either your real name or a pseudonym. By providing your phone number, you agree to receive text messages to that number from Let's Chat and its affiliates, and acknowledge and agree that you may be billed for and text message and other data rates may apply. Additionally, when you register, your address book/contacts are uploaded into the application so that you can invite users you know to join Let's Chat. We may later make suggestions to you and other users based on imported address book/contacts.

Contact Information: Let's Chat and its affiliates, including direct and indirect owners, direct and indirect subsidiaries, and other affiliated entities, may use your contact information to send you information about Our Services or their services to market to you, to help prevent spam, fraud, or abuse, and to help other registered users of Let's Chat find your account, including through third-party services and client applications.

Location Information: Let's Chat may receive information about your location. For example, We may determine location by using data from your device, such as precise location information from GPS, information about wireless networks or cell towers near your mobile device, or your IP address.

We may use and store information about your location to provide features of Our Services and to improve and customize the Services.

Cookies: Like many websites, We may use cookies and similar technologies to collect additional website usage data and to improve Our Services. A cookie is a small data file that is transferred to your computer or mobile device. Let's Chat may use both session cookies and persistent cookies to better understand how you interact with Our Services, to monitor aggregate usage by Our users and web traffic routing on Our Services, and to customize and improve Our Services. Most Internet browsers automatically accept cookies. You can instruct your browser, by changing its settings, to stop accepting cookies or to prompt you before accepting a cookie from the websites you visit. However, some Services may not function properly if you disable cookies.

Log Data: When you use Our Services, We may receive information ("Log Data") such as your IP address, browser type, operating system, the referring web page, pages visited, location, your mobile carrier, device information (including device and application IDs), and cookie information. We receive Log Data when you interact with Our Services, for example, when access Our applications, you visit Our websites, sign into or use Our Services, interact with Our notifications, or use your account. We use Log Data to provide, understand, and improve Our Services.

Third-Parties and Affiliates: Let's Chat uses a variety of third-party services to help provide Our Services, such as hosting our various Services, and to help Us understand and improve the use of Our Services. These third-party service providers may collect information sent by your browser as part of a web page request, such as cookies or your IP address. Third-party ad partners may share information with us, like a browser cookie ID, website URL visited, mobile device ID, or cryptographic hash of a common account identifier (such as a phone number or email address), to help Us measure and tailor ads. For example, this allows Us to display ads about things you may have already shown interest in off of Our Services. We may also receive information about you from Our corporate affiliates in order to help provide, understand, and improve our Services and Our affiliates' services, including the delivery of ads.

III. Information Sharing and Disclosure

User Consent or Direction: We may share or disclose your information at your direction, such as (but not limited to) when you authorize a third-party web client or application to access your account, you direct Us to invite one of your contacts to join Let's Chat, or you set the amount of time that you are available to chat. Other users may share or disclose information about you, such as when they contact you by phone or text message or upload your contact information from their address book.

Service Providers: We engage service providers to perform functions and provide services to Us in the United States and other countries. We may share your private personal information with such service providers subject to obligations consistent with this Privacy Policy and any other appropriate confidentiality and security measures, and on the condition that the third parties use your private personal data only on Our behalf and pursuant to Our instructions.

Law and Harm: Notwithstanding anything to the contrary in this Policy, We may preserve or disclose your information if We believe that it is reasonably necessary to comply with a law, regulation, legal process, or governmental request; to protect the safety of any person; to address fraud, security or technical issues; or to protect Let's Chat's rights or property. However, nothing in this Privacy Policy

is intended to limit any legal defenses or objections that you may have to a third party's, including a government's, request to disclose your information.

Business Transfers and Affiliates: In the event that Let's Chat is involved in a bankruptcy, merger, acquisition, reorganization or sale of assets, your information may be sold or transferred as part of that transaction, and, if Let's Chat seeks to sell and transfer your information as part of that transaction, you are deemed to consent to such sale and transfer of your information as part of such transaction. This Privacy Policy will apply to your information as sold or transferred. We may also disclose information about you to Our affiliates (including direct and indirect owners, direct and indirect subsidiaries, and other affiliated entities) in order to provide, understand, and improve Our Services and for Our affiliates to provide, understand, improve Our affiliates' services, including the delivery of ads.

Non-Private or Non-Personal Information: We may share or disclose your non-private, aggregated or otherwise non-personal information, such as your public user profile information or reports to advertisers about unique users who saw or clicked on their ads after We have removed any private personal information.

IV. Accessing and Modifying Your Personal Information

If you are a registered user of Our Services, We provide you with tools and account settings to access, correct, or modify the personal information you provided to Us and associated with your account.

V. Our Policy Towards Children

Our Services are not directed to persons under 13. If you become aware that your child has provided Us with personal information without your consent, please contact us at privacy@letschatapp.com. We do not knowingly collect personal information from children under 13. If We become aware that a child under 13 has provided Us with personal information, We take steps to remove such information and terminate the child's account.

VI. Changes to this Policy

We may revise this Privacy Policy from time to time with or without notice to you. The most current version of the policy will govern Our use of your information and will always be at www.letschatapp.com. If We make a change to this policy that, in Our sole discretion, is material, We may (but shall not be required to) notify you via a message within the Let's Chat application. By continuing to access or use the Services after those changes become effective, you agree to be bound by the revised Privacy Policy.

If you have thoughts or questions about this Privacy Policy, please contact us at privacy@letschatapp.com
